

Introducing Grands Bible Club

Grands Bible Club meets monthly and gives grandparents an opportunity to share in passing along faith to the younger generations. Registration is needed so we have the proper number of materials and food available. You may register at the Welcome Center, on the church website, or on the church FACEBOOK event page.

FAQ's

When and where will we meet?

We plan to meet 10 am to noon the 2nd or 3rd Saturday morning of the month (October to May, excluding December due to several family events that month.) We will meet in the Event Center.

What ages of children are included?

Families will sit together and you will help your grandchildren complete the activities, crafts, etc. Babies through age 12 are welcome, and there will be an area where you can sit on the floor with the youngest children. Older grandchildren can come, and can be helpers for the younger ones.

What will we do?

Each month we will meet a Bible hero from the "Hall of Faith" in Hebrews Chapter 11. (Our first hero is Noah.) We will have a brief Bible lesson/video/presentation followed by crafts, activities, songs, etc. It will kind of be like a mini-VBS. We will also share lunch together.

Grands Bible Club	Date
"Noah"	October 16
"Abraham"	November 13
"Joseph"	January
"Moses"	February
"Samuel"	March
"David"	April
"Daniel"	May

What if my grandkids live far away?

If your grandkids are far away, we can arrange for “adopt a grand”. You can become a “substitute grandparent” to a child whose grandparents either are not believers or live too far away to bring them. It may even work in reverse — if you are a child and you need a grandparent to bring, we may be able to match you up. If you would like to participate in “adopt a grand” program, please contact Bev Nichols at 513.633.4156.

How can I be involved?

Pray. Bring your grandchildren and be involved in passing faith along to the generations. Help with the meal or the Bible lesson. Adopt a grandchild or adopt a grandparent. Help with clean up.

Where can I get more information?

You can contact Bev Nichols at nichols.bev61@yahoo.com or 513.633.4156.
